

Guild News – Peter Shandrick has generously donated \$1,000 to the St. Margaret Mary Guild and Christian Mothers in memory of his loving wife Joan, with the stipulation that the money be used toward the purchase of a defibrillator for the Dompka Education Building. The Guild had previously donated \$600 to the parish for this cause. The Guild has also donated \$400 to the Youth Group toward the cost of a rental van for their trip this summer.
